PLEASE CHOOSE ONE:

- Opt-Out:** I choose to opt-out on the sharing of my information with Sigma/Parkland/SPC affiliates and non-affiliates. I understand that if my registered representative were to leave Sigma/Parkland/SPC for another firm or sell their book of business to an unaffiliated representative, my representative will not be able to keep my personal information (including, but not limited to: my name, address, account numbers, or other account information) in their files, which could keep my account(s) from moving with my representative to their new firm or their chosen successor. This choice will remain in effect until I revoke or modify it, which I may do in writing at any time.
- Opt-In:** I live in a state (such as AK, CA, MA, ND, VA, and VT) that requires me to opt-in to the sharing of my information with Sigma/Parkland/SPC affiliates and non-affiliates. By choosing to opt-in, my registered representative will have the ability to keep my personal information (including, but not limited to: my name, address, account numbers, and other account information) in their files in the event they leave Sigma/Parkland/SPC to join another firm or choose to sell their book of business to an unaffiliated representative. This choice will remain in effect until I revoke or modify it, which I may do in writing at any time.

Sigma/Parkland/SPC will maintain a copy of this form in its records. Although you can request a copy of this document from our files at any time, we recommend making a copy for your own records as well.
